

7 Nights Explorer Flying Safari

Day 1 Nairobi

Upon arrival into Nairobi you will be met and transferred to Norfolk Hotel or similar for a day of relaxation (on a bed and breakfast basis).

Day 02

Samburu Intrepids

0700hrs after breakfast we will be transferred to Wilson Airport for 0800am Safarilink scheduled flight to Samburu Game Reserve located in Kenya's Northern Frontier District. Our base for the next 2 nights will be the luxurious Samburu Intrepids Camp. Situated on the banks of the Uaso Nyiro River in the arid heart of Samburu National Reserve, Samburu Intrepids looks out over riverbanks where herds of elephant, buffalo and zebra come daily to drink – together with the rarer 'northern species' of reticulated giraffe, Beisa oryx and long-necked gerenuk antelope. Enjoy a game drive in the afternoon following the river. Return to your camp as the sun slowly sets.

Day 03

Samburu Intrepids

A full day in Samburu with morning and afternoon game drives. The scenery here is stunning. Giant outcrops of mountainous rock set amidst a semi desert, with one permanent source of water, the Uaso Nyiro River where elephant and buffalo come to drink. Be on the lookout for leopard and lion for there are many, the birdlife, too, is wonderful and your driver guide will assist you in identification. All meals at Samburu Intrepids.

Day 04

Mara Explorer

0800hrs we will transfer to the airstrip for our Safarilink scheduled flight to the Masai Mara. The game-filled plains signal our arrival. This is, undoubtedly, Kenya's finest game reserve and our home for the next 2 nights is located in the very heart. Sitting above a sweeping bend in the Talek River, at the confluence of the Maasai Mara's four game-viewing areas, the camp enjoys one of the most

spectacular locations in the entire Mara ecosystem. An Intrepids safari offers a unique game-viewing adventure, including three daily game drives with experienced guides, and trips to Maasai villages where we support several community development projects.

Day 05
Mara Explorer

A full day of game viewing activities in Masai Mara. Elephant and Buffalo abound in the riverine forests, while out on the grasslands Impala and Thompson's gazelle can be seen together with their attendant predators such as lion, Cheetah, Hyena and Jackal. Lesser-known species such as topi, hartebeest, waterbuck Eland and many small mammals create a kaleidoscopic picture of wildlife.

Day 06
Kipungani

This morning before we bid farewell to the friendly camp staff and fly to Nairobi on the scheduled service where you be for your flight to Lamu. 1315hrs fly to the exotic island of Lamu. On arrival transfer by boat to Kipungani. Perched on the edge of Kipungani Bay, where the protected mangroves of Kipungani Creek meet the end of a deserted 12-kilometre beach on the southwestern tip of Lamu Island, Kipungani is the ultimate dream destination for those seeking a true desert-island holiday.
