

25th August 2026

Relax Pool – Temporary Closure for Maintenance

Dear Partners,

We would like to inform you of a temporary maintenance requirement affecting the Relax Pool at Voyager Beach Resort.

We have identified an issue with the pool that requires corrective works and, as a precaution, have temporarily taken the facility out of service. Restoration works will commence on 25th August 2026 and are expected to take approximately one week to complete.

As part of the initial works, the existing pool tiles will need to be removed and replaced. There may therefore be some noise in the immediate vicinity of the Relax Pool during the first two days of the works. We will take every precaution to minimise any disturbance to our guests.

During this period, guests will continue to have full access to our two other swimming pools, including the recently refurbished Sports Pool.

We appreciate your patience and understanding as we address this matter promptly and ensure the Relax Pool is restored to the standard expected of Voyager Beach Resort.

We will keep you informed of progress and advise once the pool is ready to welcome guests again.

Thank you, as always, for your continued partnership and support.

The Voyager Team.
